

## COURSE INFORMATION

Provide your staff the opportunity to build their support role skills and continue their development in their career. This skill set reflects the skills to follow organisational infection prevention and control policies and procedures, including implementing standard and transmission-based precautions and responding to infection risks in the workplace.

5 Week Duration  
Face to face delivery

This skillset can provide career pathways for individuals who require the skills and knowledge to decrease the risk of infection.

This course is currently being offered in all our locations in Victoria.

Eligible Government Funded Students: \$0.00

Full Fee Students: \$680.00
