

# RIISS00059 Traffic Controller Skill Set for High Volume Roads

RELEASE 2 - 19/10/2022

Australian Institute of  
Vocational Development

## Traffic Controller 2 (TC2)

### SKILL SET INFORMATION

This skill set addresses the skills and knowledge required for those responsible for traffic control on Temporary Traffic Management Category 2 environments as described in the Austroads Guide to Temporary Traffic Management.

This skill set is delivered over 1 day, plus 20 hours practical training experience post completion.

This skill set is delivered in a range of locations across Melbourne and Regional Victoria.

Pathways Information  
The unit provides credit towards a number of Certificate II and Certificate III qualifications in the RII Resources and Infrastructure Industry Training Package and other training packages, such as RII30920 Certificate III in Civil Construction or

"The trainers are able to teach their skill sets to their students in a way that's not intimidating. I was able to learn at my own pace and was taught how to operate safely and efficiently on modern equipment. My trainers went above and beyond in all aspects of the course."

**DARREN**  
AIVD Civil Construction Graduate

# RIISS00059 Traffic Controller Skill Set for High Volume Roads

RELEASE 2 - 19/10/2022

Australian Institute of  
Vocational Development

## UNITS OF COMPETENCY

To successfully complete the RIISS00059 - Traffic Controller Skill Set for High Volume Roads, you will need to complete the unit below:

Unit Code	Unit Name
RIIWH5207	Control traffic on high volume roads

## SKILL SET REQUIREMENTS

Successful completion of the following unit of competency inclusive of at least 20 hours practical experience applying the relevant skills and knowledge in a temporary traffic management workplace:

RIIWH5207 Control traffic on high volume roads.

The assessment for the unit of competency comprises both theoretical and practical components. The practical assessment component is to be undertaken after the practical experience is gained. Practical experience requirements must be completed on declared Temporary Traffic Management Category 2 roads within at least six months of successfully completing the theoretical component.

## LICENSING/REGULATORY INFORMATION

This skill set has been created to align to the requirements of individuals responsible for traffic control in temporary traffic management, as described in the Austroads Guide to Temporary Traffic Management on Temporary Traffic Management Category 2 environments. Licensing, legislative and certification requirements that apply to this skill set can vary between states, territories and industry sectors.

Users must check requirements with relevant body before applying the skill set.

## PATHWAY INFORMATION

The unit provides credit towards a number of Certificate II and Certificate III qualifications in the RII Resources and Infrastructure Industry Training Package and other training packages, such as RII30920 Certificate III in Civil Construction or equivalent.

## IMPORTANT INFORMATION

### DURATION & DELIVERY

This skill set is delivered over 1 day, plus 20 hours practical training experience post completion. This qualification can be delivered across multiple locations across Victoria:

- Sunshine
- Gladstone Park
- Epping
- Frankston
- Cranbourne
- Pakenham
- Ararat
- Ballarat
- Bendigo
- Geelong
- Horsham
- Swan Hill
- Maryborough
- Wodonga
- Shepparton
- Warrnambool
- Portland

## RECOGNITION OF PRIOR LEARNING

Recognition of Prior Learning (RPL) involves an assessment of your knowledge and experience of your previous and current skills, and compares them to the requirements of an Austroads Temporary Traffic Management Training program (skill set).

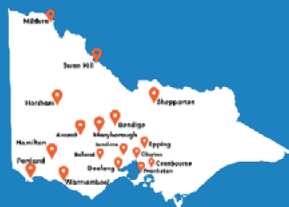

If you can clearly show that you have already gained the equivalent skills and knowledge, and that skill and knowledge is current, then you may be granted recognition of prior learning for an Austroads Temporary Traffic Management Training program (skill set).

The evidence you provide may include knowledge, experience and skills gained through part-time, full-time or casual work.

## SKILL SET FEES

Full Fee: \$550.00
